

Subscription Policy

These Subscription Policies (the “Policies”) govern the subscription service exclusively available to clients who have completed an assessment on IQ PRO or other related sites, (“we,” “us,” or the “Company”) for its brain training services. These Policies are an integral part of our Terms and Conditions and must be read together with any other terms and legal documents we may provide. By subscribing to or purchasing our plans, you acknowledge that you have read, understood and agree to be bound by these Policies. Unless you agree to these Policies, you are not authorized to purchase or use any subscription plan offered by IQ Booster.

1. SUBSCRIPTION OFFERINGS AND FEES

1.1 Available Plans

IQ Booster offers A few types of brain training plans:

- **7 Days Trial**
- **One-Time Fee plan**
- **4 weeks Recurring Subscription**
- **3-Month Recurring Subscription**

1.2 Trial Offers

Certain subscription plans may include a one-week trial period at a discounted price. Unless you cancel at least 24 (twenty-four) hours before the end of the trial, the subscription will automatically renew at the standard monthly rate indicated on our Website (the “Standard Price”). You hereby agree that failing to cancel before the end of the trial constitutes express consent to continue with the subscription under the Standard Price.

1.3 Automatic Renewal

Unless otherwise stated, both the 1-month and 3-month subscriptions are set to auto-renew at the end of each billing cycle at the then-applicable rate, unless you cancel in accordance with the cancellation procedures set forth below. By purchasing a subscription, you authorize us (or our third-party payment processor) to automatically charge the applicable subscription fee using the payment method you have provided.

1.4 Activation of Subscription

You may activate a subscription only after completing online tests on IQ PRO site or other related sites. By proceeding with the subscription, you confirm you are at least sixteen (18) years old (or otherwise of legal age to form a binding contract under your local law) and that you possess the legal authority to purchase or use our services.

2. CANCELLATION

2.1 Your Right to Cancel

You may cancel your subscription at any time in members’ billing area in IQBooster or by contacting our support team at info@iqbooster.org. Cancellation requests must be received at least 24 (twenty-four) hours before the renewal date to avoid being charged for the next billing cycle. Once your cancellation is processed, your subscription will not renew, although you will retain access to the subscription features for the remaining time of your then-current billing period.

2.2 Effect of Cancellation

Cancelling your subscription stops the automatic renewal of your plan. However, you will not receive any proration or refunds for any unused period within your current billing cycle unless otherwise provided by mandatory law in your country of residence or as detailed in these Policies.

3. REFUND POLICY

3.1 General Non-Refundable Policy

Subscription fees are non-refundable, and no prorated refunds or credits will be given for partially used subscription periods, unless otherwise stated under applicable law in your jurisdiction or as indicated below.

3.2 Exceptions According to Local Law

You may have additional refund or cancellation rights under the laws of your country of residence. If your local law requires a refund in certain circumstances, we will comply with such legal requirements.

3.3 Specific Jurisdictional Policies

Residents of the European Union (EU):

Pursuant to EU consumer protection laws, you have the right to withdraw from a digital service agreement within fourteen (14) days from the date of agreement conclusion, provided the service has not commenced at your express request. By starting or continuing to use IQ Booster services immediately after purchase, you hereby acknowledge and expressly consent to the start of services and waive your statutory right of withdrawal once the service has been delivered.

Refund Policies for Japan and South Korea

Japan: In compliance with the Consumer Contract Act, users may request a refund within eight (8) days of purchase if they have not used the service. If the service has been accessed, refunds are generally only available in cases where the product is defective or access to the service was not properly provided.

South Korea: In accordance with the Act on the Consumer Protection in Electronic Commerce, users may cancel their purchase within seven (7) days of the transaction unless they have accessed the service. If digital content has been provided or accessed, refunds may not be granted unless the service was defective or unavailable.

4. PAYMENT AND RENEWALS

4.1 Payment Processing

All subscription fees (including those for trials converting to paid plans) are charged upfront and are processed through our designated payment provider(s). You must ensure your payment information is accurate and updated, as failure to process a payment may result in a suspension or cancellation of your subscription.

4.2 Price Changes

We reserve the right to modify subscription fees at any time at our sole discretion. Reasonable efforts will be made to provide advance notice of any changes. Your continued use of the subscription following the fee change constitutes your agreement to pay the modified fee.
